

The Department of Business and Economics at TU Dortmund University is offering the following position (starting at the earliest opportunity):

## Professorship (W3) Marketing

### Our profile

TU Dortmund University comprises 17 departments in the natural and engineering sciences as well as the humanities and social sciences and is a dynamic university with a strong profile in research, teaching, promotion of young scientists and transfer.

### Profile of the professorship

In research, you represent the focal area of marketing, especially the research of market- and customer-oriented behavior of organizations, and further develop these with international visibility. In your research, you use empirical research methods and you participate in research networks and cooperations within and outside TU Dortmund University. You are committed to promoting early career researchers. In teaching, you are responsible for the subject “marketing” and participate appropriately in the teaching activities of the department.

### Your qualifications

You have obtained a doctorate with above-average success and have acquired a post-doctoral lecture qualification (Habilitation) or an equivalent qualification. You have demonstrated your research reputation in the field covered by the professorship through continuous international publications in high-ranking peer-reviewed venues and have been successful in obtaining competitively awarded third-party funding. International research collaborations are expected. Additionally, you have the potential for teaching excellence. Social and leadership skills and the willingness to participate in academic self-administration complete your profile. Moreover, the recruitment requirements in Sections 36 and 37 of the North Rhine-Westphalia Higher Education Act (Gesetz über die Hochschulen des Landes Nordrhein-Westfalen, HG) apply.

### Attractive environment

We offer an excellent academic environment and attractive cooperation opportunities with renowned international, national, and regional partners. The metropolitan Ruhr Area with the University Alliance Ruhr (UA Ruhr) guarantees short distances to a diversity of partners from science and industry. With our Dual Career Service, we support your partner in finding professional opportunities in the region, if desired. We will be happy to provide information about housing and living in Dortmund and help you find childcare options. If you are coming to us from abroad, our Welcome Service will support you upon your arrival in Germany.

### Diversity welcome

A central goal of TU Dortmund University is to promote diversity and equal opportunities. We strive to significantly increase the percentage of women in research and teaching and therefore welcome applications from female academics. We give preference to severely disabled applicants if their qualifications meet the requirements. We support the compatibility of family and career and promote gender equality in academia and research.
