

With 6,300 employees in research, teaching and administration and its unique profile, TU Dortmund University shapes prospects for the future: the interaction between engineering and natural sciences as well as social and cultural studies drives both technological innovations and progress in knowledge and methodology. It is not only the roughly 34,300 students who benefit from this.

The Department of Art and Material Culture, subject Cultural Anthropology of Textiles, in the Faculty of Arts and Sport Sciences at TU Dortmund University is seeking to fill the position of a

### **Professor (W2) in “Historical and Cultural Anthropology”**

commencing as soon as possible. The successful candidate will specialize in research and teaching in the field of Historical and Cultural Anthropology.

TU Dortmund University is seeking an outstanding individual and established researcher with a focus in one or more of the focal points material culture, fashions, museums, everyday culture with relevant international publications in recognized journals, including those with peer-review. The candidate should have extensive anthropological, museological or ethnographic research expertise. Moreover, a willingness to reinforce the disciplinary research fields as well as practical experience in a museum or other relevant areas are desirable.

Applicants should contribute to interdisciplinary collaborative research projects within and outside TU Dortmund University.

Experience in raising third-party funds is expected, as is an appropriate contribution to teaching in the relevant discipline.

The successful candidate will possess social and leadership skills and be willing to be involved in academic self-governance.

Preconditions for employment are specified in § 36 and § 37 HG NRW (law governing universities in NRW).

TU Dortmund University strives to increase the number of women in academic research and teaching and therefore explicitly encourages women to apply.

TU Dortmund University is an equal opportunity employer and gives preference to candidates with disabilities if equally qualified.

TU Dortmund University supports the compatibility of work and family life and promotes gender equality in science.
